PROFESSIONAL SUMMARY

Data Science Engineering student with hands-on SQL internship experience and Python-based data analysis projects. Skilled in Pandas, Scikit-learn, Plotly and Streamlit, with a strong interest in Machine Learning, Data Analytics and AI. Seeking Data Science, Machine Learning and Data Analyst roles.

TECHNICAL SKILLS

Programming & Libraries: Python, Pandas, NumPy, Matplotlib, Seaborn, Plotly

Machine Learning: Scikit-learn, Regression, Classification, Feature Engineering, Model Evaluation, ML Pipelines, StandardScaler, Train/Test Split

SQL & Databases: SQL, MySQL, MongoDB, DBMS, Joins, CTEs, Window Functions

Data Visualization: Power BI, Tableau, Excel, Plotly, Streamlit

Development & Tools: Git, GitHub, Linux (Basics), Jupyter Notebook, VS Code, HTML, CSS, JavaScript, React

EDUCATION

Sri Venkateshwara College of Engineering, Bengaluru

Currently in 4th Year (7th Semester)

B.E. in Data Science Engineering | CGPA: 8.30 / 10

EXPERIENCE

SQL Developer Intern

September 2025 – November 2025

Evoastra

- Practiced SQL querying and data manipulation on database-oriented tasks.
- Gained practical exposure to database and analytical workflows.

SQL Developer Intern

Elevate Labs

- Worked with data handling and analytical workflows using SQL and database querying.
- Strengthened SQL-based problem-solving skills.

PROJECTS

IPL Data Analysis Dashboard

Python, Pandas, Plotly, Streamlit

- Analyzed IPL match and player data to evaluate team performance, player statistics and match trends.
- Built interactive visualizations in Streamlit with Plotly to make the findings easy to explore.

Netflix Data Analysis

Python, Pandas, Data Visualization, EDA

- Performed exploratory data analysis on Netflix content to understand content distribution, genres, countries and release trends.

AI-Powered Student Platform (In Development)

Python, Scikit-learn, Machine Learning

- Developing a student-focused platform to track CGPA, identify suitable skills and domains, and provide career guidance.
- Planning AI-assisted recommendations and resume-building features.
